Uptown's beautiful gardens reflect its diverse and vibrant community members. The **Third Annual Uptown Garden Walk** focuses on "common ground," exploring ways green space serves as a shared resource, implications of this resource on planning, and ways community members can provide stewardship for shared spaces.

Two guided tours will bridge Uptown's history with current and future plans, and the self-guided tours highlight community-managed efforts. Join one of the Guided Tours at the times listed below, or Guide Yourself using the map.

**TREES OF UPTOWN TOUR**, 1pm start at Clarendon Park, 4501 N. Clarendon Ave. Led by Andrew Lueck of Planned Forest, this tour highlights tree preservation, financial implications of trees, and resources for community members.

**GARDEN GATHERING**, 2pm gathering at Clarendon Park, 4501 N. Clarendon Ave. Connect with community members and gardeners about stewardship opportunities in Uptown. Kid-friendly activities and snacks from our sponsors!

**NO SMALL PLANS TOUR**: 3pm start at Clarendon Park, 4501 N. Clarendon Ave. Led by Susan Ask of Animalia Project and Melanie Eckner of the Uptown Coastal Initiative, this tour explores the paths and meadows of the plan for Uptown's new coast in the 1930s.
